I will file this so I don't keep getting confused! And I will send a revised May invoice.

Hi Abigail,

I received your May invoice via fax, and saw that you have a quarterly adjustment on there. You only need to make a quarterly adjustment on the invoice on the months in which Quarterly Expenditure Reports are due (April, July, October, and January). Assuming you have enough of your allocation remaining (which it looks like you do), you should receive your normal monthly award amount this month. If you have any questions, please let me know.

Thanks,

Emily Kraft
